

## INCLEMENT WEATHER POLICY

### WET WEATHER POLICY

#### **Before School:**

If it is raining before school, a decision will be made by Leadership before 8.30am whether to ring the rain bell signifying wet weather procedure. At this time, staff are expected to open their classrooms to students.

#### **Big Lunch & Little Lunch:**

If it is raining at Big Lunch or Little Lunch, Leadership will make a decision about the application of the wet weather procedure. Three (3) bells will sound to advise that students need to stay inside.

Once the weather bell has sounded, students will stay inside for the rest of the play period.

Adjoining Classes are to join together and teachers are to release each other **or** call Leadership to release teachers for a break.

SSO's are not to be left to supervise the class.

### HOT WEATHER POLICY

When the forecast temperature, for Adelaide, on the Bureau of Meteorology Website is **36°C**, the following policy applies:

#### **Big Lunch & Little Lunch:**

Before playtimes, Leadership will check the current temperature and if before Big Lunch or Little Lunch the temperature is **36°C**, students are to remain indoors. This will be communicated through the school PA system to classrooms and through Teams.

Adjoining Classes are to join together and teachers are to release each other **or** call Leadership to release teachers for a break.

SSO's are not to be left to supervise the class.

### HOT WEATHER POLICY: SPORT EVENTS

All school organised sports events will be postponed if the days forecast temperature on the Bureau of Meteorology Website is 35°C or above.
